

# SPACEPORT INSpace™ Camp

Student Designed Space Science

***Choose Exploring...Not Boring!***

- Airplane Rides
- Rocketry
- Cool Projects
- Special Guests
- Launch to Edge of Space
- Prizes
- Drone Demonstration

Join us for an exciting INSpace Camp™ as we look to the stars and find out what it takes to travel to another planet! 2018 kicks off our newest adventure called Mars Next! America is about to embark on a new Journey and a new generation of Astronauts. Technicians, Navigators, and Mission Planners will make the 8 month journey to Mars. This week-long camp will ignite the imagination and engage in activities that help Students understand the challenges. STEM and the Internet of Things (IoT) is all about hi-tech applications, and space is the ultimate hi-tech place.
