PROCEDURES FOR TEMPORARY CLOSING OF SCHOOLS

Emergency - Snow Days -- Storm Warning

When inclement weather or emergencies force us to delay the start of school, close school early or close school completely, we will disseminate the information in multiple ways.

Decision is based upon information received from the following sources:

- A. County Highway Department
- B. State Highway Department
- C. State Police – Lafayette
- D. Sheriff's Office
- E. Bus Drivers
- F. Principals
- G. School Patrons
- H. Other available information

Closing or delay of school due to weather, emergencies, etc., will be announced as soon as possible on the following radio and television stations:

- WILO (1570 AM)
- WSHW (99.7 FM)
- WKOA (105.3 FM)
- WRTV (Channel 6, Indianapolis)
- WTHR (Channel 13, Indianapolis)
- WFLI (Channel 18, Lafayette)

The closing or delay of school will always accompany a School Messenger (automated phone calling system) phone message. Make sure your school office has the contact information you want the message to go to – cell phone, home phone, and/or work phone.

In the event of any early dismissal, the directions in Harmony will be followed. A School Messenger automated phone message will also be sent to parent/guardians. Please be certain that your child is aware of these arrangements.

At all times, decisions on school delays or cancellations will be made with our students' safety as our top priority. Thank you for your consideration and patience in helping us keep our students safe.

PLEASE do not call the school.
